Foreword

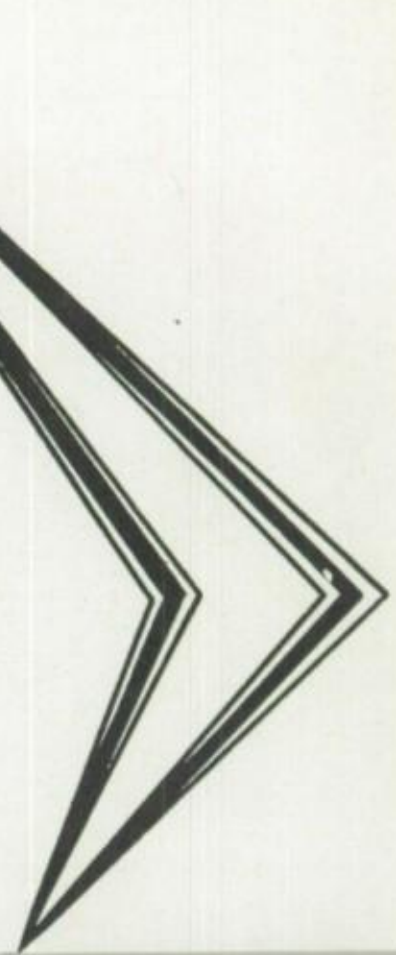

"These are the happiest days of your life - enjoy them." These are words we hear many times during our high school years. Certainly, these were the happiest days of our lives and we did enjoy them.

The 1963 COYOTE staff would like to express their thanks to all the people who have helped to make this book possible, and to all the businesses who have given us their support through advertising.

---Judy Clair,
1963 COYOTE Editor

Dedication

We, the Senior Class, wish to dedicate the 1963 COYOTE to our parents who have helped us in many ways throughout our high school years, and also for their foresight and devotion which have helped us make better citizens of ourselves.
